

# GSS Naming Extensions

Leif Johansson  
leifj@sUNET.se

## Status (v06)

- Align with feedback from Luke Howard based on the MIT implementation experience.

# Open issue(s)

- `gss_buffer_set_t`
  - currently pulled in from GSI GSS extns from ggf.org but we need something else that can carry a normative reference.
    - inline
    - separate draft
